

▶ MAYOR'S MESSAGE

Recently a garden bed at Rotary Park was planted out with the City of Wangaratta Rose.

This beautiful rose has a history dating back to the mid-1980s and up until recently there were only very few plants in existence.

The garden bed now looks spectacular, and this will only improve over time as the plants grow.

This project has been a great example of community groups working together to achieve a good result.

The Wangaratta Garden Club have played a pivotal role in maintaining the City of Wangaratta roses at the Wangaratta Rose Garden on Ryley Street. The garden club provided cuttings from these plants to Park Lane Nursery, who grew the plants.

Rotarians helped drive the project and Council's own Greg Vonarx helped prepare the garden bed.

So next time you're passing by Rotary Park, be sure to stop and smell the roses.

• Mayor Ken Clarke OAM

▶ Public Notices
