

► Mayor's Message

I'd like to start this message by thanking those in the community who have approached me and my fellow Councillors to express their condolences over the death of Councillor Ruth Amery.

Her death has saddened us all and I'm really missing her. Ruth was the organiser of Councillors. Whenever we would go out to dinner or get together as a group, it would be Ruth that would make the booking and organise everything. Anything involving Councillors, she would take control.

The past week has been very difficult for councillors, and our thoughts are with the Amery family at this time as we continue to serve the community in the way we know best.

During the past week there have been several engagements I've attended, including the High Country Network Group Volunteer summit at Brown

Brothers in Milawa on Tuesday.

This brought together volunteers and staff from around the region, with about 90 people at the event.

Also this week, Council presented to the Select Committee of Parliament on Decentralisation in Wodonga. Consultation has seen us make a pitch for the Department of Health, Department of Foreign Affairs and Trade or Department for Infrastructure. We don't wish to be greedy, but are keeping our fingers crossed we may be successful in one for the Rural City.

Meet the Mayor Sessions are held on the last Wednesday of each month from 9am – 12 noon at the Wangaratta Government Centre.

Council's Waste Strategy

Do you support the phase out of single use plastic shopping bags in Wangaratta?

Council is reviewing our waste management strategy to improve how we reduce, reuse and recycle our waste. One of the hot topics from our waste survey is about single use plastic bags.

Single use plastic shopping bags are lightweight, checkout style bags made of thin, flexible, plastic film and most commonly found in supermarkets and takeaway stores.

Australians use about four billion lightweight supermarket shopping bags every year, with most of them ending up in landfill.

To have your say and to fill out our community and business waste surveys, visit www.oursay.org/wangaratta/plasticbags. These forums are open until 31 October 2017.
